August 6, 2018

Dear Michael Musa:

Welcome back to the most exclusive club in business! On behalf of all of us at *Inc.*, I am delighted to inform you that Environmental Protection Industries has earned the position of 3029 on the 2018 *Inc.* 5000.

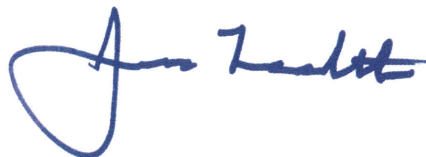

As you know, every year *Inc.* recognizes the fastest-growing private companies in America. This year, the winners have, once again, placed the bar very high. Companies that made the list, on average, have grown sixfold since 2014. Over a stretch when the economy grew around 11 percent, that's a result most businesses can only dream of.

But you've lived that dream before. This is your 2nd time on the *Inc.* 5000, which is a truly extraordinary accomplishment. Needless to say, making the list gets harder every year as your starting base grows. Of the tens of thousands of companies that have applied to the *Inc.* 5000 over the years, only a fraction have made the list more than once. A mere one in three have made the list 2 times.

Congratulations to you and your team. You should be proud of all Environmental Protection Industries has achieved to date.

I hope I'll have the chance to meet you at the *Inc.* 5000 Gala in San Antonio, Texas, this October. You've earned the right to celebrate!

Sincerely,

James Ledbetter
Editor in Chief, *Inc.* Media
